Scholarships for High School Seniors
Sponsored by the Nebraska Academy of Sciences
Deadline of March 1 for all scholarships

All recipients of awards are honored at the Annual Meeting of the Nebraska Academy of Sciences in April.

Loren Eiseley Memorial Scholarship (\$500)

Loren Eiseley was a scientist, author, and one of Nebraska's great twentieth century naturalists. This scholarship is available to any Nebraska high school senior who has been accepted to an accredited college or university. The student must submit the following:

1. ___ 800–1,000 word essay that discusses Eiseley's message of **compassion for all organisms and humanity's place in the universe**
2. ___ Teacher recommendations
3. ___ High School Transcript required, additional list of Scholastic achievements or community service is encouraged
4. ___ List of at least two Eiseley essays read by the applicant
5. ___ Evidence of having been accepted to an accredited college or university

Marie and Howard J. Taylor Scholarship (\$100)

Available to any Nebraska high school senior with a special interest in the **geology of Nebraska** and the study of geology. The student must submit the following:

1. ___ An essay that demonstrates an interest in the geology of Nebraska and the study of geology.
2. ___ Teacher recommendations
3. ___ High School Transcript required, additional list of Scholastic achievements or community service is encouraged
4. ___ Evidence of the applicant's intention to enter a Nebraska college or university.

Lincoln Gem and Mineral Scholarship (\$300)

Available to any Nebraska high school senior with a special interest in the **earth sciences**. The student must submit the following:

1. ___ An essay that demonstrates an interest in the earth sciences.
2. ___ 2 teacher recommendations
3. ___ High School Transcript
4. ___ School and community activities related to earth sciences and special awards
5. ___ Evidence of acceptance to a Nebraska college or university

Marian Schultz Memorial Environmental Scholarship (\$1,000)-awarded in odd numbered years (2019, 2021, etc.)

Available to any Nebraska high school senior with special interest in **prairie and soil conservation**. The student must submit the following:

1. ___ Evidence of prairie and soil conservation practices using field experience or an 800–1,000 word essay that demonstrates the Applicants' understanding of the topic
2. ___ Teacher recommendations
3. ___ High School Transcript required, additional list of Scholastic achievements or community service is encouraged
4. ___ Evidence of acceptance at the University of Nebraska as a full-time student

Marian O. and Bertrand Schultz Scholarship (\$1,000) – awarded in even numbered years (2018, 2020, 2022, etc.)
