Merry Christmas and Happy New Year!

As I reflect on this year it is impossible to put into words how truly blessed we are at GACC.

We have great students, dedicated staff members, supportive parents, and a wonderful community that work together to provide our students with the best possible education.

This time of year our students get to learn about the real reason for the season and continue to keep that as the focus of our excitement

during the Christmas season.

As we reflect in thanksgiving for a great 2017, we look forward with anticipation to the continued blessings that 2018 will bring.
