Dear Parents,

On Tuesday, March 17, 2020, Guardian Angels Central Catholic Schools will begin a closure to help limit the spread of COVID-19 across the community. The closure will last until March 27, 2020, at which time we will reassess the latest health information with public health officials to determine next steps and length of closure.

We strive to continue spiritual and academic learning opportunities for students through a closure. In this packet, students will receive a sample daily schedule and grade level learning materials put together by their child's classroom teacher. The information in this packet is grade-specific and provides lessons on reading, writing, math and religion. Students/Families are asked to complete the packets throughout the closure.

Please know if school is closed longer than two weeks, we will ask for the packets to be returned each week for grading. A beacon will be sent informing you of the pick up (of a new learning packet) and drop off (of a completed packet) timeframe.

As always, if you have any questions please feel free to contact the school or email me at ppeatrowsky@gaccbluejays.org. By closing our school, we hope to mitigate the spread of COVID-19 and keep our community healthy.

Thank you for your patience, understanding and prayers at this difficult time.

Mrs. Paula Peatrowsky
