

Dear Parents and Students,

The administration and teachers at GACC are proceeding with instruction as if school is going to be closed for the remainder of the year. Therefore, we are making some additions to the academic expectations for the students. The following expectations will **start the week of April 6** and proceed through the end of the school year. The last day of school is May 15.

- Teachers and students in grades 7-12 are required to meet one time per week via Zoom.
- Your teacher will send you a link to Zoom via your email and post it in your Google Classroom account.
- **Students:** Check that your device has microphone and camera capabilities. If it does not you need to make sure that you can at least hear what is being said in the meeting.
- **Parents:** It is important you help your students clear their schedules on their assigned days. However we also realize with the current circumstances that might not always be possible. Parents please communicate with your child's teacher through email if your child won't be able to attend their class during the scheduled time.
