

ENKINDLE

Our K-6 grade students enjoyed another year of the Enkindle ministry, the purpose of which is to lead our students' hearts into relationship with Jesus. Each class came to the adoration chapel once per quarter. During Eucharistic Adoration, they entered the "classroom of silence" to learn to hear God's voice and the different ways He speaks to them. They encountered Jesus through praise and worship, scripture, personal reflection, journaling, small group sharing and praying with one another.

The students particularly enjoy the "small group" time at the end of each Enkindle session, where they can share what's on their minds and hearts and also learn the blessing of intercessory prayer as they pray for each person in their small group. This important segment of Enkindle would not be possible without the gracious adults and high school students who lead the small groups. A huge THANK YOU to everyone who volunteered this year!

At the end of each Enkindle session, we close with the praise and worship song selected for that school year. Everyone stands in the adoration chapel and raises their hands and voices in praise to the Lord. Because the students didn't get to attend their last Enkindle session of the year during 4th quarter, the Enkindle volunteers wanted to give them the opportunity to sing the "closing song" together one more time. So, some of the Enkindle helpers got together via Zoom to make it happen!

STUDENTS: We hope you take a moment to sing and dance to "Awesome God" with us one more time this year (and maybe teach your family!). And remember that Jesus is always waiting to hear from you!

**6th Graders: We're so sorry you didn't get to attend your last Enkindle session. We will get your journals to you when school resumes. We really enjoyed your presence at Enkindle!

PARENTS: Know that you are always invited and welcome at the Enkindle sessions throughout the school year. And we are always looking for additional volunteers. The time commitment is small (1 hour) and you can sign up to help at as many or as few sessions as fit your schedule. No experience required! Just a willing heart. ☺ Please contact Charissa Steffensmeier in Campus Ministry if you'd like more information or have questions (380-9871 // csteffensmeier@gaccbluejays.org)
