ORDERING

- **Two options for pre-ordering your child's photos:**
 - 1) Order Forms (being sent home)
 - 2) Go to www.dsschools.com - Search organization - GACC
- **When ordering online**, there are 2 links - elementary and high school. You can order for ALL your children (Preschool-12) at the same time **in either link** as long as you order **BEFORE Thursday, August 26.**
- **Family Plan:** If you have more than 2 children in your family, you can purchase 2 photo packages at regular price and then the remaining children's packages will be free as long as it is of an equal or lesser price.
 - **Paper Order Forms:** Mark any additional children with the correct payment option: No Payment/Free (Family Plan).
 - **Online Orders:** You can pay for 2 children's packages online. For the remaining children, you will need to complete the paper order forms and mark the payment option: No Payment/Free (Family Plan).
- **Proofs** - Similar to last year, you will not receive any photo proofs before ordering. Most companies are not doing this anymore. There is the opportunity to do a retake if you are not satisfied with your child's photos.
- **SPECIAL NOTE:** If they miss the deadline of ordering on August 26, a second order must be placed and the prices and packages are then controlled by the printing company. The multi-child discount is not available and the package prices are typically higher.
- **Elementary students only** - Each package contains a class composite.
- Photo packages will arrive at school on the same day for the elementary and high school.
