Sarah Thiele- Secretary

Kristen Christensen

Jason Folkers - AD

Michelle Cohee

Tiffany Kreikemeier

Chris Kreikemeier

Sheena Kampschneider

Jen Kjholde

Lindsey Eisenmeinger

Michelle Gerths

## Previous Month's Minutes and Finances

### Financial report:

Start: \$19,455.73

End: \$48,021.25

Old minutes approved by Jason, Michelle seconds.

## Old Business:

- State softball banner is not hung yet. Jason has reminded Mike a few times about hanging it.
- Still waiting on Steffensmeier's name correction on the Speech banner.
- Add another signer for checks/bank account. Motion made to add Jason as a signer. Danelle will talk with Kate about adding Father Weeder and Jason. Mitch will talk with the bank about adding Kim for account access.
- Danelle will ask Kate again about donating lunch money to Booster Club and getting that info out to families.

## AD Business:

- Looking at new score boards for Football Field and Gym. \$10-15K per board through Daktronics. Want something that can run advertising. Chris Krakemeier knows where a Daktronic controller is and who to call to get current boards working correctly. Kralik's quote for new boards few years ago was \$100,000.
- Discussed giant TV's vs. video "score board". Jason to reach out to other schools to see how much work/man power it is to run score board and rolling advertisements.

- Dannelle to check with school board to see if advertising on score board in activity center is allowed per activity center by-laws.
- Revenue from ATV raffle could go toward new score boards. People may be more likely to donate if they know what money is being used for.
- Would like to replace some equipment in the weight room. Other school had sent out flyers with specifics of what they wanted and costs and the donations exceeded what they needed within two weeks.
- Ask other organizations (ie. speech, one acts) if there are things they need/want so we aren't so sports focused.
- Quote for 2 new weight machines is \$8000. If added some new weights and other equipment the total would be \$12,000.

## New Business:

- Set up a table to sell ping pong ball drop at homecoming tailgate on Wed and at game on Friday. Need \$70 more to break even.
- Cheerleading and volleyball buttons need to be finished.
- Still following up on Lyon's club bleachers.
- Side by fund raiser. Lindsay has nothing available from Case IH. Per Tiffany Only 2 seater side by sides available. List price is \$10-12K but would get for at cost price. The one we could get would be made by Greely? Which is Polaris.
- Go ahead with side by side raffle. Have news paper make tickets. Mitch and Kristen will chair side by side raffle. Tiffany will get it ordered and get a picture. Hope to have in person by Thanksgiving.
- Set Date for Bingo and Beer night fundraiser.
- Will talk about other fundraiser ideas at next meeting.
- Do another steak supper on top of drive through steak supper since first steak supper made good money.
- Do a tailgate at some of the double header basketball games? Reach out to businesses to sponsor and host like Believers. Do free will donations vs charging a fee. Dannelle will talk to Mike.
- Discussed emailing out previous meeting minutes and agenda prior to each meeting or have a link on the Booster Club tab on School website so anyone, boosters or other can access the info. Brooke Thoene in charge of school website? Dannelle to talk to her about posting Booster club minutes/agenda.

## Spirit Wear

- Open a new spirit wear order on Nov 1 and close Nov 15 so have gear by xmas. Dannelle will talk with Ginger.

Meeting adjourned at 8:37 pm

Next meeting- Monday Oct 18 @ 7:00 (Dannelle won't be there).
