SCHOLARSHIP@PINKBANDANA.ORG

Pink Bandana is a 501(c)(3) non-profit organization which raises money and awareness about breast cancer for women under the age of 40. Since 2008, Pink Bandana has raised money through annual fundraisers, and donated \$365,000 to families battling breast cancer.

As we continue to raise more funds through annual fundraisers and donations received, we have been able to offer a college scholarship opportunity for students who have been diagnosed with breast cancer, or who have a parent or legal guardian that have been diagnosed with breast cancer within the past 5 years. The scholarship was established to recognize outstanding students and assist them in continuing their education. This scholarship is awarded yearly, payable in \$1,000 increments for a 4-year college or in \$2,000 increments for a 2-year college (not to exceed a total of \$4,000), and is contingent upon the verification of maintaining full-time enrollment.

Thank you for your interest in the Pink Bandana organization. For more information about Pink Bandana, please visit www.pinkbandana.org. Pink Bandana wishes you the best of luck and continued success in your academic pursuits and professional goals!

Please return all scholarship applications to the mailing or email address listed below by April 1, 2022.
