

# ELEMENTARY NEWSLETTER

5/7/24 Issue #18

We are in the midst of Staff Appreciation Week and want to say THANK YOU to all our amazing staff members! They have worked so incredibly hard this school year and I hope they know how much they are appreciated. Our SPA will be sharing surprises with the staff all week and we encourage parents to reach out to their child's teacher and let them know how much they are appreciated through a thoughtful message or kind note.

Field Day is scheduled for Tuesday, May 14th at West Point-Beemer Public School. Parents who are safe school certified are encouraged to sign-up to help. (The Field Day flyer with the sign up link and schedule are attached to this newsletter.)

Next week wraps up the 2023-2024 school year and our last student day is Thursday, May 16th (this day is a full day of school). Please know we will not have after school care that day.

Finally, I would be remiss not to mention how much we will miss Mrs. Jane Knobbe next year as she will be retiring at the end of the year. It is easy to admire and respect how many years Mrs. Knobbe has given to Guardian Angels Central Catholic and how many lives she has touched. Please know we do have her talked into coming back to substitute teach which is exciting. We wish her all the best in her retirement.

Blessings,  
Paula Peatrowsky

# Teacher FEATURE

**My name is Jane Knobbe. I'm the second grade teacher here at Guardian Angels Central Catholic. I am blessed to have been a part of this amazing school for 34 of my 38 years in education. This is my final year as retirement is calling my name. My husband John and I have three children and eight grandchildren. I plan to enjoy time with my family and friends, cheering on the Chicago Cubs, and learning the game of golf. I will forever have a special place in my heart for all of the wonderful teachers, staff, parents, and students that I've worked with.**

Heartfelt congratulations on your retirement Jane! We all love you and hope you enjoy every minute of your retirement with your grandchildren (and subbing, of course)! You will always be one of my favorite teachers to observe! I learned so much from you! Your passion for teaching, love of students, and dedication is like no other. Thank you for your years of service! God certainly knew what he was doing when he made you a second grade teacher!

I will miss our drives to McDonald's for a quick ice cream cone on a hot school day, sitting on her steps during our lunch break and catching up on life, wearing our matching Christmas shirts, dressing up as coordinating compound words, showing up to school in matching/coordinating outfits NOT on purpose, her advice and positivity, putting my energy drinks in her mini fridge so I can have an excuse to come in and say hi during a break, and her corny joke and her "Jane" stories. There's more, but that's a majority :)

Working with you up on third floor the last few years has been so much fun! Enjoy retirement!!

I enjoyed when you would stop in the library & we would chat about Gabby & Devins next steps in life. It was fun watching them grow up!

Last year when it was my birthday she set up a surprise party with the kids and everyone was hidden and they sang me happy birthday in Spanish.

I will miss seeing her smiley, bubbly, and positive self.

There are so many! My favorite memory was going to Chicago with Jane and a bunch of teachers for a week long teacher's convention!

I will miss Jane as my neighbor and our many conversations across the hall. I will also miss how when she would leave at the end of the day, she would say, "See you tomorrow." When she would forget something and have to come back, she would say, "Good morning."

I have known Jane as a neighbor, teacher, and co-worker. She has always been so kind and compassionate towards her students, and she really looks for the best in others. One of my many favorite memories from being in her class was when the person with the cleanest desk would show up to school on Monday to find the coveted Beanie Baby in their desk, and it was their to keep for the week as a reward! So fun! She always knew how to make learning enjoyable!

I will miss the way that Jane effortlessly intertwines her Faith into everything she does. Enjoy retirement!

As a fellow veteran THIRD FLOOR 🥰 teacher I will miss the plethora of steps we have taken together through the halls and on the multiple flights of stairs of GACC! ENJOY RETIREMENT! 🥰

Mrs. Knobbe will be greatly missed for her sense of humor, her positivity, and for the kindness and compassion she showed to her students. Her faithfulness was very visible and was greatly admired by both her fellow teachers and students. We have all learned a great deal from Mrs. Knobbe over the many years that we have worked with her. She will be missed by all of us, especially me. I hope her retirement days are full of many happy moments and fun-filled activities!

I am going to miss her bubbly personality, she has always been so sweet and kind to everyone around her. My children love talking to her whether they are at school or outside of school. She will definitely be missed!

I will miss seeing Jane in the hallway and her smile. Jane's "blonde" moments always give me a good laugh!

I am going to miss seeing Mrs. Knobbe at school with her bright smile every day. She also has some pretty great jokes that I will miss hearing too. Enjoy retirement Mrs. Knobbe!

# Partners in FAITH™

Helping our children grow in their Catholic faith.

May 2024

Fr. James Weeder, Pastor

## Thoughtful Moments

### St. Athanasius of Alexandria

Born a Christian in Egypt, St. Athanasius became a priest and a great defender of the Catholic faith. He served as secretary to Bishop Alexander of Alexandria, and later succeeded him as bishop. Because of the terrible persecutions, he was exiled several times during his life and was (falsely) accused of murder by his enemies. By popular demand, Emperor Valens permitted St. Athanasius to return to his diocese. He spent the rest of his life working to defend Christ's divinity.

### Our spiritual GPS

Children understand the importance of having guides. When we want to travel somewhere, a map or GPS can show us how to get there. The Ten Commandments and the Beatitudes are like our spiritual GPS. If we follow them, we will get where Jesus wants us to go.

*"Whoever humbles himself like this child is the greatest in the kingdom of heaven. And whoever receives one child such as this in my name receives me"*  
(Matthew 18:4-5).

## Honor our Blessed Mother this month

In the month during which we honor our mothers, we give special honor to the Blessed Virgin Mary. Jesus gave her to us as our Mother and we honor her for her love and care. Here's how we can show it:

**Offer flowers:** Flowers are a traditional way to show devotion. Place a flower crown on a statue of Mary in your home, plant a garden in her name, or place bouquets by her image. Praying the Rosary is also a way of giving flowers, with each prayer like a rose for Mary.

**Give thanks:** We owe Mary our gratitude for agreeing to be God's mother, and ours, too. It is hard to comprehend the depth of the sacrifice involved in her "yes" to God.

Follow Mother's instructions: Mary's requests are simple yet profound. Her directive,

*"Do whatever [Jesus] tells you,"* found in John 2:5, is her clearest instruction. By following Jesus, Mary tells us we will find happiness.

**Acts of service and imitation:** Another way to show devotion to Mary is to emulate her virtues by

following her example. Mary is venerated for her humility, obedience, purity, and love. By striving to live out these virtues in our own lives and by serving others with compassion and love, we honor her legacy and demonstrate our devotion to our Mother.

## Why Do Catholics Do That?

## Why do Catholics crown Mary in May?

The practice of crowning images of Mary began in the eighteenth century. Origins of the practice drew inspiration from Scripture, particularly Revelation 12:1, which describes the crowning of Mary as Queen of Heaven and Earth. By

crowning a statue of Mary with flowers, and commemorating her royal role, Catholics express gratitude for her unwavering faith and her "yes" to God, fostering a personal and communal renewal of devotion.

## Three ways to welcome God into a busy home

Welcoming God into your home can transform it into a sanctuary of love and faith. Try these meaningful ways to invite His presence into your daily family life:

**Display heavenly reminders:** Adorn your home with sacred art, crucifixes, and statues of saints. These visual symbols serve as constant reminders of God's presence and love. Encourage each family member, especially children, to choose a favorite and visit it daily, building a personal, visual connection to their faith.

**Integrate Prayer:** Begin and end your day with

family prayer, such as a morning blessing of protection and bedtime prayers of peace. Say grace before meals and pray the Angelus. Praying together also solidifies your family's bond.

**Perform acts of service:** Encourage acts of service and kindness. Children can take on extra chores, volunteer at church, gather and donate clothes or toys. These actions reflect the love of the Holy Trinity and make your home a welcoming place for Jesus.

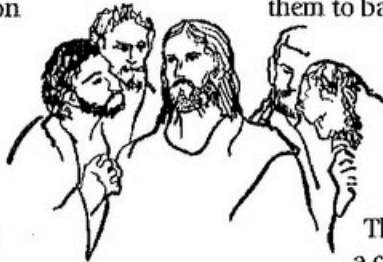

By making God the center of your home, you create a vibrant domestic church.

### Scripture LESSON

#### Matthew 28:16-20, "I am with you always."

This passage contains the Great Commission and it encapsulates the essence of Christ's mission and mandate for His disciples. In this Gospel reading, Jesus appeared to His eleven remaining apostles in Galilee after His Resurrection. The setting is significant; Galilee symbolizes the beginning of Jesus' ministry, and then marked the continuation of His mission through His followers.

First, Jesus asserted His authority, claiming all power in heaven and on earth, thereby commissioning His disciples to go and make disciples of all

nations. This commissioning extends beyond mere preaching. He instructed them to baptize believers in the name of the Father, Son, and Holy Spirit, and teach them to obey everything Christ commanded.

*What can a parent do?*  
The Great Commission is a call to spread the Gospel

to the ends of the earth. It is required of every follower of Jesus. Help children know that they, too, are asked to tell others about Jesus and to live according to His laws. Make sure to take your family to Mass every week so you are all fortified for the mission.

### Feasts & Celebrations

May 3 – Sts. Philip and James (First Century). St. Philip was born in Bethsaida and followed John the Baptist before he followed Christ. After the Ascension, St. Philip preached in Asia Minor, where he was martyred. St. James, the son of Alphaeus, was also one of the twelve Apostles.

May 9 – The Ascension. This solemnity marks the completion of Jesus' mission of salvation and His triumphant entry into heaven. *Note: In many dioceses, observance of Ascension has been moved to the following Sunday.*

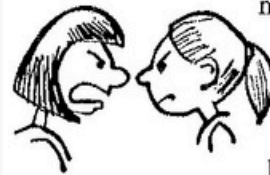

May 15 – St. Isidore the Laborer (1130). Born in Madrid to a poor farming family, he married St. Mary de la Cabeza and worked for a wealthy landowner. He spent many hours in prayer and caring for the sick and the poor.

May 26 – St. Philip Neri (1595). Born in Florence in 1515, St. Philip Neri left his career as a businessman for the priesthood. He later founded the Oratorians. He is remembered for his humor and his joyful love of God.

### Parent TALK

Our girls are two years apart and usually close. As they got older, however, the bickering got louder and more frequent. I wanted to help but wanted to let them to solve their own problems. So I spoke to other moms in my prayer group and got ideas for age-appropriate conflict resolution.

First, I asked each girl to use "I" statements to articulate her feelings – without blaming others. "When you borrow my favorite book without asking, I feel sad because then I can't read it." "When you don't take turns playing, I feel frustrated and don't have fun." This helped the sisters understand the other's perspective. Then we simulated conflicts and used role-playing to solve them, providing them with hands-on ways to practice resolution. We worked on negotiating, finding common ground, and active listening.

Progress wasn't immediate but building skills gave the girls something to fall back on when they clashed.
