NEWS FROM MRS. PEATROWSKY

Thank you to our SPA who is hosting our grade level bowling trips to Main Street Bowl this month. What a wonderful opportunity for our students to have fun together. Did you know that there are many benefits to bowling? Bowling enhances social skills, builds confidence, enhances gross motor development, builds core strength, enhances problem solving, and strengthens math skills. Who would have thought such a fun activity could have so many benefits!

For the safety of students we are asking for help at dismissal. Please visit with your child about not climbing on the retaining walls after school. We work hard to teach students safe behavior and climbing on the retaining walls, swinging around the pole next to the activity center, or playing in the landscape is not safe. Please know we want to work together so our children do not get mixed messages about the expectations.

Parent/Teacher Conferences will be one day this year, Wednesday, October 11th from 8:00 AM to 8:00 PM. Teachers will be sending out reminders for your child's conference time. If you have any questions, please do not hesitate to contact the office. We look forward to sharing your child's progress with you.

Have a blessed week,
Mrs. Paula Peatrowsky

PAPER TRAILER

We are close to getting fined or even losing the opportunity to do the paper trailer. SPA consists of only a few volunteers and the hours we are spending on cleaning up the trailer is not feasible. **We need your help in following the guidelines below.** We are so appreciative of your donations but we need everyone to take the time to do the extra small steps. Since having the trailer, we have raised over **\$240,000**. We don't want to lose this opportunity as it gives so much back to our school, students, and teachers.

CARDBOARD

Break Them Down

Must be cut into pieces SMALLER than **4 feet** in length and width - there is a tape guide in the trailer.

Metal

If you have a heavy duty box with BIG STAPLES in it that you are recycling in the trailer, please **remove** the staples before putting it in the trailer.

Tape

Remove tape from boxes. I know this isn't fun but we can't have the sticky residue go through the machines.

WE NEED YOUR HELP!

Junior Jays Cheer & Dance 2023

Come enjoy a game and entertainment Friday, September 29th! Kindergarten-8th grade girls will be putting on a performance during the half time of our high school boys football game in Beemer with the help of our 23-24 Cheer and Dance Teams. You won't want to miss it!

K-6 grade girls performing: Please be there by 5:30 PM to eat at the amazing tailgate and rehearse before the game.

Jr High girls performing: Please arrive at 6PM or as soon as you are done with volleyball to eat at the tailgate and rehearse as well.

We hope to see you all there!
