## Old Business:

- Catholic Schools Week Breakfast- \$3,322 profit this year. Up \$1200 from last year.
- 125 Dinner- Expenses have not been paid yet but income was around \$16,500. Last year profit was around \$5000. This year should be a little closer to \$8000. Do we need to increase the price for next year or give less out in prizes next year?
- Side by Side raffle- update from Tiffany- As of today we have sold 288 tickets. Need students to return unsold tickets. Deadline for them to return them will be March 31.
- Alumni Tournament - Will be March 25,26. Tee-shirt prices are up a little. Info is on the alumni website. Currently collecting team registrations.
- Drive Through Steak Supper - Update from Michelle Cohee. Will be March 16.
- Beer and Bingo- Will be April 21 in the cafeteria. Will raffle side by side then.
- Open Gym Proposal - Father Weeder would like to incorporate faith into the open gym time somehow. Having trouble with figuring out how to do this.
- Spirit wear being sold at basketball games - Sold almost all the gear we had to sell. Seems to have gone over well.

## New Business:

- Bag chair fundraiser - Will take this off the table. Don't think people would be willing to spend what it would take to get a good quality chair.
- Garden Flag fundraiser - Hold off on doing this at this time.

- Popcorn machine - The plug/cord needs to be replaced. There was a lot of build up in the kettle which caused it to overheat and the cord melted. The kettle should be removed and cleaned periodically. We need to put up new cleaning instructions with instructions on how to do this for volunteers at the end of the night.
- Principal McAndrews presented a school improvement plan developed from the survey results from this past fall with information that families, students and staff provided. The plan includes multiple areas of focus for improvement including faith, culture and climate, and academic improvement. Committees have been put together to focus on these areas. (This plan does not necessarily involve the Booster Club. Principal McAndrews sharing information with parents).

## **AD Business:**
