Previous Month's Minutes and Finances

Financial report:

Start: \$36,556.94

End: \$25,984.06

Old minutes approved by Kirsten, second by Tiffany

Finances approved by Mitch, second by Tiffany

Old Business:

- Side by side fundraiser-Tickets are ordered, hopefully will be in this week. Students will take home a flier with ticket instructions. Each student will be given a numbered ticket. If a student doesn't turn in their money or loses their tickets they are responsible for the \$100. Lew's sporting goods donated gift cards to be given as student prizes. Von Beed donated movie tickets and value packs. Submitted a request to Scheels to donate prizes also, haven't heard back. Side by side is paid for. Request for payment for \$100 doc fee was sent to Kim. Father gave permission for it to be driven to trivia night, games, ect. And for it to be stored in Chris and Tiffany's garage. Will have it at 125 dinner on Thur. Idea thrown out to try do heads

and tails at end of night when everyone has purchased ticket to throw in \$20 for a chance to win a raffle ticket.

- 125 supper Thursday. Looking for student help. Boys basketball team will help set up after school at 3:30 and serve. Danelle will send a note to Coach Strake to see if girls will help serve also.
- Beer and Bingo Night- April 22, Liquor license has been submitted.
- Bluejay tournament- March 3-4, open to boys and girls, grades 3rd through 6th. 50 to 100 volunteers will be needed. People needed for score keeping, registration, ref, site supervisors, concessions, ect. Currently have 14 teams registered. Will hold on to checks for now and determine if having the tournament dependent on number of teams that enter. Early bird discounted registration deadline is Jan. 30.
- Taco Bar at game Friday night Jan 21. Will send out beacon for helpers that day. Serving beef and pork nachos and tacos. Food donated by hospital. Will have taco boats and to-go containers.
- Suggestion made to have Booster Club members/class reps find people to help with fundraisers, tournaments and future events when help is needed.
- Alumni tournament- March 25-26. Liquor license submitted. Will need volunteers.
- Catholic Schools Week Breakfast- Jan. 30th. Sign up for teachers to help. Lots signed up. Danelle will work the table. Free will donation. Students can help do coffee, water and clean tables.
- Still need a vice president.
- Spirit Wear- don't know how much was made from second round sales.
- Do we use a budget for the upcoming school year? - Jason will start working on one.
- Concession stand TV has not mounted yet. Chris and Jason will likely hand this this summer.
- Hole in floor from basketball hoop not repaired yet. Company that did floor waxing in December did a terrible job. They will come back and re-do it later this summer so we can get on a different calendar rotation for waxing. Would prefer to wax the floor in August rather than Dec. Then the wax job will last the whole school year. They will repair the floor this summer.
- Steak supper- March 23

AD Business:

- Cross country- Survey sent out. 1/3 of students are a "maybe or yes" they would participate.
- Coach Miller would like to host a high school wrestling tournament here next year. Would be in January next year on a Friday and get out of school early. Would need to purchase another mat. With some donations and team fundraising they have around \$4000. Booster club is willing to help fund the mat. We would get out of the Arlington tournament.
- Weight equipment from Cedar is ready to be picked up. \$500 donation was made to them by the Booster Club for the equipment. The check has cleared. Possibly pick it up this Saturday 1/22 when we play there. Would need 3-4 enclosed trailers to pick it up.

New Business:

- Any new business was covered in Old business section of minutes.

Meeting adjourned at 8:25pm

Next meeting- Monday, February 28 @ 6:00
